

Evelien Dirks

Evelien Dirks is a senior researcher and program director of the Deaf and Hard of Hearing Research and Development program of the Dutch Foundation for the Deaf and Hard of Hearing Child (NSDSK) in Amsterdam the Netherlands. Her research focuses on parent-child interaction, language, social-emotional and cognitive development in young deaf and hard of hearing children. In addition, she is involved in ongoing studies on the effect of early interventions. Alongside her research, she has co-developed books, movies, courses, and apps for deaf and hard-of-hearing children, their parents, and professionals.
